5:00 P.M.

The meeting was opened in due form by President Art Cotts after which the roll was taken, and the minutes of the last meeting were read and approved.

In the absence of Bob Lehnen, Chairman, Glenn Utt reported for the committee on Sigma Tau projects. Glenn reported that after a study of the "K S" located on Prospect Hill, the committee decided that all but the part of the "K" which has become displaced down-hill, should be white washed, and that the displaced portion should be covered up. However, it was pointed out to the members that Dean Durland was very interested in having repairs made on the "K". Dewey Huston then volunteered to make a survey on materials, cost, and labor for the project; his report to be made to the Chapter in two weeks.

President Cotts then reminded the chapter that the National Conclave was to be held in Philadelphia, Pennsylvania on October 7, 8, and 9, 1948. Dick Cooper was elected alternate delegate to the Conclave. Professor White stated that four or five delegates from Epsilon Chapter attended the last Conclave prior to the war. He pointed out that these delegates considered the trip well worth-while and of definite benefit to the Chapter as a whole. It was decided to give each member time to evaluate his possibilities for attending the conclave, final arrangements to be made at a meeting to be held next Tuesday, September 28, 1948. President Cotts asked for volunteers to make surveys in connection with preparing the report for the Conclave. Those making surveys are as follows:

Accomplishments of Chapter and Members: Dave Eckleman

Faculty members of Sigma Tau; their position and accomplishments: Richard Lill

Advancements of Alumni: Gilbert Baker

Pictures of "K S" and Pyramid and Rail section, suitable for printing in the "Pyramid": Jim Stalter

Jim Bondurant and Howard Wood were appointed to tabulate grade averages on Engineering Students who have attained a Junior Status since last Spring. Jack Roth suggested that a committee be appointed to study the procedure for pledge selection.

Norman Hansen and Lowell Boughton were appointed to handle publicity for Epsilon Chapter. The Chapter approved the purchase of a new record book, after which President Cotts reminded the Chapter of the By-Law concerning absences.

The meeting was closed in due form.

TUESDAY SEPTEMBER 28, 1948

E-128

5:00 P.M.

The meeting was opened in due form by Vice President Ward Haylett. The roll was taken and the minutes of the last meeting were read by Harold Miller in the absence of Jack Roth, Recording Secretary. The minutes were corrected to read that the National Conclave was to be held in Pittsburgh, Pennsylvania in stead of Philadelphia, Pennsylvania.

Ward Haylett pointed out that if some member would drive a car to the National Conclave, the funds set aside to pay for the alternates trip would pay for most of the traveling expenses, thereby making it possible to send four or five delegates. Vice President Haylett asked if any member had decided that he could go as a delegate. Wilkie Miller and Dave Eckleman said that they would go if some one took a car.

Wilkie Miller said that Arel Langston had thought about taking a car, but that he could not get relieved from his job at that time. Dave Eckelman moved that anyone driving a car to the National Conclave be paid five cents a mile from the Chapter fund. The motion was seconded and the vote was nineteen for, none against.

Harold Miller then pointed out that since only 21 of the 59 members were present, the 2/3 necessary to make a quorum was not fulfilled. Ward Haylett suggested that the motions carried be left in the books until next meeting of the chapter.

The meeting was closed in due form.

TUESDAY OCTOBER 5, 1948

E-128

5:00 P.M.

The meeting was opened in due form by Vice President Haylett after which the roll was taken and the minutes of the last meeting were read and approved.

Dewey Huston reported on a survey of "K" hill made by Professor Frazier, Dick Cooper, Art Cotts and Dewey Huston. The estimated materials were: 4 cu. yds. of concrete for a retaining wall and 4 cu. yds. of concrete for replacing the stem on the "K". The estimated total cost was \$200.00 ^{maximum} ~~minimum~~. Dewey pointed out that there was a definite need for clearing of the area. It was moved and seconded that the freshmen be contacted through their Engineering Assembly for work on "K" hill; plans for the work to be made ahead of that time. The motion was carried. Vice President Haylett appointed Dewey Huston to make plans for carrying out the project along with checking into the possibility for obtaining funds from the college or Alumni association for materials; a progress report to be made at the meeting in two weeks.

Howard Wood reported that there are 1250 Juniors And Seniors in Engineering. Vice President Haylett suggested that two additional men work with Jim Bondurant and Howard Wood in checking the eligibility of Juniors and Seniors for Sigma Tau, a report to be made to the Chapter in two weeks.

Ward Haylett stated that Blue Key had requested use of Sigma Tau's false ceiling for the Homecoming Ball. He also pointed out that Blue Key had rented Sigma Tau the center light fixture for St. Pats Prom. last year. Dewey Huston moved that Sigma Tau rent the ceiling to Blue Key for \$30.00 plus costs of any repairs. Dale Olsen stated that Sigma Tau had always refused to rent the ceiling in the past and that the expense and limited life of the ceiling did not warrant renting it out. It was also pointed out that Sigma Tau would be obliged to rent it to other organizations if they rented it to Blue Key. After additional discussion, Dewey Huston amended his above motion to read: "I move that we rent the ceiling to Blue Key". The motion was seconded but was lost in the vote 16 to 11. Vice President Haylett then stated that the Military Science Department had also requested use of the ceiling for the Military Ball. It was the consensus of opinion that the decision with respect to Blue Key applied equally well to the Military Science Department.

It was pointed out that the absences at Chapter meetings were excessive. The rule concerning absences was read from the March 23, 1948 minutes. It was decided that the problem of Absences should be discussed in the next meeting.

The meeting was closed in due form.

The meeting was opened in due form by President Cotts. The minutes of the last meeting were read and approved.

Dewey Huston reported that \$200.00 had been secured from the college for repair of "K hill", and that permission had been obtained for contacting the Freshman at their seminar Thursday October 21, 1948.

Harold Miller reported for the committee on grade averages stating that a complete list of Juniors and Seniors eligible for membership in Sigma Tau would be ready for the next meeting. Some discussion resulted as to the grade point requirements for scholastic eligibility in Sigma Tau. The National Constitution requires that those declared eligible be in at least the upper third of their class, however more rigid requirements may be established by the individual chapters. It was decided to continue the present system of basing eligibility on a grade point average of 1.7 or above.

It was moved and seconded that the members of Sigma Tau have a group picture taken for the Royal Purple. The motion was carried and the date for the picture was tentatively set for November 9, 1948.

Plans for the Fall Pledge Class were then discussed. It was moved and seconded that the "Smoker" be held on November 9, 1948; also that the banquet for the New Pledge Class be held on November 29, 1948. Both motions were carried. Dale Olsen was appointed Pledge Captain by President Cotts. It was decided to invite Dean Durland and Professor Brainard to the "Smoker". Those carrying out smoker plans are: REFRESHMENTS - John Lindholm; ENTERTAINMENT - Norbert Sid-
orowicz; CIGARS AND CIGARETTES - Walter Crum.

The group then went about drafting final plans for the "K hill" clean-up to take place Saturday October 23, 1948. Art Cotts volunteered to make arrangements for securing the necessary equipment from the Surveying Class and Building and Repair. Dewey Huston stated that he would arrange for Transportation. It was decided to have Beer and Cokes for refreshments, Gilbert Baker agreeing to make the necessary arrangements. Jack Roth was asked to contact the Freshmen at their Seminar the following Thursday.

President Cotts then gave a brief report on the National Conclave. He stated that the Conclave had been very successful and that much had been gained by the exchange of ideas from various chapter representatives. Among the changes made were: the deletion of the word "white" from the constitution, (from the clause: "any white male") and the establishment of provisions for taking into membership College Graduates and other worthy persons.

The meeting was closed in due form.

E-128

5:00 P.M.

The meeting was opened in due form after which the roll was taken and the minutes of the last meeting were read and approved.

President Cotts complimented Lowell Boughton on the manner in which he handled the publicity for the recent pledge class. He also expressed his appreciation for all of the members who helped with the pledge class arrangements.

President Cotts then led the group into a discussion of activities for Sigma Tau in the Spring Semester. In connection with the Spring Banquet, a motion was made that the banquet be held on March 25, 1949. The motion was seconded and passed. President Cotts stated that he would appoint a committee to start work on the program and speaker for the banquet. He asked Rodney Keif to contact National President Mapes with the idea of having him for the Spring Banquet speaker if possible.

Other projects mentioned were the obtaining of grade averages for the Spring Pledge Class, completion of work on "K" hill, and St. Pat's Prom arrangements. President Cotts said that he would ask Vice President Haylett to start making preparations for the Prom and Band.

A bill for the use of axes and a truck from B & R in connection with work on "K" hill was approved, and the absence rule was explained to the new members.

TUESDAY JANUARY 11, 1949

E-128

5:00 P.M.

The meeting was opened in due form by president Cotts after which the minutes of the last meeting were read and approved and roll was taken.

Plans for the spring pledge class along with the spring banquet were then discussed. President Cotts stated that the following men did not receive their invitations to the fall smoker and therefore should be considered this spring: William L. Mertz, Estel N. Barnes, Robert G. Brunton, Kenneth B. Nyblad, and Ralph E. Newman. President Cotts stated that a letter had been sent inviting National President Mapes and Secretary Schrogren to the Spring Banquet. Professor McCormick was suggested for Alumni Membership and Fred Kramer for Graduate Membership. A motion was passed to the effect that the men to be considered for membership in the spring semester would be those eligible from this fall semester plus the new Juniors who are now eligible.

In connection with St. Pats Prom it was agreed that President Eisenhower should be asked to present St. Pat and St. Patricka. Ward Haylett stated that he had started contacting possibilities for the Band, and asked for the sentiment of the members as to the kind of band they wanted and the amount of money that should be spent for a band. As a result a motion was passed that the ticket price for St. Pats Prom should be \$3.00 tax included and that a maximum of \$700.00 should be spent for a band.

President Cotts stated that fellowship award application forms would soon be available for those members interested in graduate work.

Dick Cooper notified the members that according to his chronometer, six minutes were consumed ~~today~~ in the oral taking of the roll. Believing that this was an excessive waste of time, he moved that in the future the roll should be taken by passing a paper around the group. The group responded with a silent discussion and the motion was quickly passed.

The meeting was closed in due form.

The meeting was opened in due form by President Cotts after which the minutes of the last meeting were read and approved.

Ward Haylett Jr. reported that he had signed Gene Moore and his 14 piece band for St. Pat's Prom at a price of \$435.00. This also includes a quartet called the "Stardusters." With respect to decorations for the prom, he suggested three propositions. The group after some discussion passed a motion to decorate the gym with the traditional green and white.

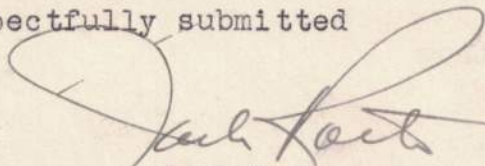

A motion was passed to sell 450 tickets to the Prom. President Cotts then led the group into a discussion of pro and cons regarding an early announcement of St. Pat and St. Patricia. The main advantage of an early announcement would be the additional publicity available. After considerable discussion, a motion for the early announcement was passed by a slight majority.

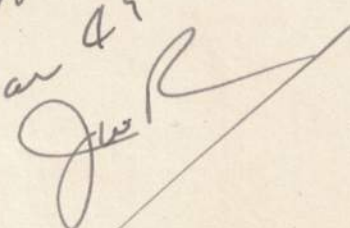

President Cotts presented the possibility for a station broadcast of the Dance, and also called the attention of the group to a special edition of the Collegian which had been put out a previous year covering Open House in general and St. Pats Prom.

It was decided that the next meeting should be held on Monday February 21, 1948 provided school was held that day.

TUESDAY MARCH 1, 1949

5:00 P.M. E-128

The opening ceremony was omitted due to lack of time and the number of matters to consider. The minutes of the last meeting were read and approved.

Paul Lyman reported that there ~~were~~ 32 Assistant Professors, Associate Professors, and Professors qualified for membership in Sigma Tau on an Alumni Status.

With respect to St. Pats Prom, it was stated that President Eisenhower would be available to present St. Pat and St. Patricia. Five radio stations have been contacted with the idea of having a part of the prom broadcast. Alpha Phi Omega has asked for the privilege of operating the check stand at the dance. Dewey Huston moved that Alpha Phi Omega be given the choice of either operating the check stand for the profits on the concessions or stating a flat rate, with the understanding that the check stand be run free of charge. The motion was passed.

Concerning the Spring Pledge Banquet to be held on March 25, Sidney Hamilton moved that Alumni members be required to pay for their own meal if they attend the banquet. The motion was passed. It was pointed out that Dr. C. F. Kettering will be on the campus Thursday March 24, and on Friday March 25 for an assembly. The possibility of initiating him into Alumni membership in Sigma Tau at the Spring Pledge Banquet was presented. In the event that he would not be able to stay for the banquet Friday evening, it was decided that he would be initiated Thursday if possible. One inspired member of the chapter moved that we do everything possible to get Mr. Kettering initiated.

Jim Gretzinger moved that we obtain pyramid and rail section paper weights for the Spring Pledge Class and all members who do not now have one. The motion was passed.

It was moved that we have a meeting to elect the Spring Pledge Class on Monday March 7, 1949 at 7:00 P.M. in E-128. The motion was passed.

The meeting was adjourned.

The meeting was called to order by President Cotts after which the meeting was turned over to Norbert Sidorowicz to explain plans for decorating the gym for St. Pat's Prom. It was decided to let Alpha Phi Omega run the check stand at the prom for the profits from concessions. Kenneth Hanson, chairman of the tickets committee, stated that all tickets for the prom had been sold. It was decided to send complimentary tickets to President Eisenhower, the society editor of the Collegian, Bob King, and Mr. Joe Wood. Harold Miller was appointed in charge of counting the ballots for St. Pat and St. Patricia.

Discussion was then held with respect to the Spring Banquet and initiation of the Spring Pledge Class to be held Friday March 25, 1949. President Cotts stated that Mr. Kettering would arrive on the campus Thursday afternoon, March 24 and would leave again the following afternoon. As a result, John Lindholm moved that we hold an initiation for Mr. Kettering and the pledge class Thursday afternoon March 24 at 4:30 in case Mr. Kettering could not be here for the Banquet Friday Night. The motion was seconded and passed. A motion was made that Mr. Kilker of Topeka be asked to be the speaker at the Banquet Friday evening. The motion was seconded and passed. A motion was also made and passed that pictures be taken at the Banquet if Mr. Kettering can be present.

With respect to fees for Graduate Members, it was moved and seconded that the initiation fee be the same as that for active members. The motion was passed.

The meeting was opened in due form by president Cotts after which the minutes of the last meeting were read and approved. President Cotts requested that all committees turn in a "check list" to help next years chapter and the chapters in the future. He also pointed that Sigma Tau was responsible for completing the repair of "K hill", and that Dewey Huston, chairman of the committee would probably plan on completing the work in the near future. Two graduate students, unable to be at the Banquet for iniation, will be iniated at the next meeting.

Election of officers for the next year was then held. The summary is as follows:

President

Kenneth Sellers - ELECTED
Jim Holman
Jim Fassett
Howard Wood

Vice President

Russell Jones- ELECTED
Marne Karlin
Jim Fassett

Recording Secretary

Bob Weatherbie - ELECTED

TUESDAY

APRIL 12, 1949

E-128

5:00 P.M.

The meeting was opened in due form by Pres. Cotts after which the minutes of the last meeting were read and approved. The treasurer reported that the organization has about \$1670.00 in the bank and that a profit of \$411.00 had been made on St. Pat's Prom. Howard G. Wood and Charles R. Gray were appointed to audit the books before they are turned over to the new treasurer. Pres. Cotts reported that one of the two graduate students who were to have been initiated at this meeting was on an inspection trip. They will be initiated at a later date.

Jim Holman was appointed to secure paper weights for all members as provided for in the minutes of March 1, 1949. All officers and committee chairman who have not turned in a check list of their duties were requested to do so as soon as possible. The president called the members attention to the rule concerning absences and asked them to remind the other members.

The "K Hill" repair project was discussed in detail. It was decided that work would start on Sat., April 23rd, and continue each Sat. afternoon until the job is completed. Al Greif was appointed to assist Dewey Huston in making plans for the work and to secure the necessary tools and equipment. It was moved and seconded to have a picnic and beer bust on the Sat. afternoon that the repair project is completed. The motion passed. It was estimated that the picnic would be on May 7th or 14th. Jim Bondurant, Earl Burdick and Bill Liggert were appointed as a committee to make arrangements for the picnic. They were authorized to use their judgement in determining the date of the picnic, the amount to be spent on food, etc.

Pres. Cotts turned the meeting over to Prof. L. V. White for the installation of new officers. Prof. White complimented the retiring officers on the good work they had done for the past year; and he stated that, in his opinion, this years St. Pat's Prom was the best one that had been held in several years. After the installation ceremony Pres. Sellers reminded those who want a picture of the last pledge class to contact Ralph Naslund.

The K-Hill repair project was discussed and plans were made for completing the work as soon as possible. Several names were suggested as possible candidates for chairman of the project and the president will appoint someone in the near future.

The scholarship requirements for the new pledges were considered. It was suggested that this could best be decided after the class average is determined. Howard Wood said that he would find out about it. It was decided to go ahead and get the names of all men who have a grade average of 1.7 or above. Russell Lowe and John Welch are to help Wood with this job.

Alfred Grief said he would work on publicity for the organization.

It was reported that an estimate could be gotten on the paper weights as soon as a drawing was made.

5:00P.M.

The meeting was opened in due form. The minutes of the last two meetings were read and approved.

Pres. Sellers read from the minutes of March 23, 1948, concerning the attendance of members at all regular meetings; and he reminded all members to tell one of the officers if it is necessary to be excused from a meeting. Three unexcused absences can mean dismissal from the roll.

Jim Holman reported that no word had been received on procuring the paper weights which have been authorized for purchase.

The band for St. Pat's prom was discussed and it was moved and seconded that Russell Jones be allowed up to \$800.00 for a band without a floor show. The motion passed.

A suggestion was made that plans be formulated for lighting the K S letters on K-Hill during Engineer's Open House. It was moved and seconded that a committee be appointed to work out the details for this event. Norman Hansen was appointed chairman with Calvin Moeller, H.A.Pomeroy and C.L.Ferguson as committee members.

The meeting was closed in due form.

5:00P.M.

The meeting was opened in due form by President Sellers. The minutes of the last meeting were read and approved.

Rus. Jones reported that Jimmy White and his orchestra had been contracted to play for St. Pat's Prom, March 18th at a price of \$500.00.

Norman Hansen reported that plans are coming along nicely to light the K S letters with torches during the first evening of Engineers Open House. Plans for this event were discussed in detail.

Jim Holman reported that bronze paper weights with a polish finish can be obtained for \$1.45 each from a Topeka Foundry. After discussion it was decided to write for more information concerning price for rough finish, etc.

The President listed and explained ten projects or committees that must be gotten under way as soon as possible.

After discussion it was decided not to hold a smoker in connection with selecting the Spring pledge class. The new pledges will be selected from the list of candidates used last fall, plus the addition of new juniors. Pledges will be selected before Engineer's Open House.

The date of the initiation banquet was discussed and it was decided to hold it approximately one week after Open House, depending upon the availability of the cafeteria.

George Rogers was appointed to take care of the Freshman Awards which Sigma Tau gives to the 3 Freshmen with highest grades.

Jim Fassett will take care of arrangements for a speaker for the Initiation Banquet.

Eugene Weir was elected to have charge of the decorations for St. Pat's Prom.

Al Grief will take care of publicity for the election of St. Pat and St. Patricia and for the Prom.

Dale Wilson was appointed to have charge of ticket sales for the Prom.

Jim Holman was appointed as chairman of the committee to make all arrangements for St. Pat's Prom.

Emory Hickert will have charge of arrangements for the initiation banquet.

Harold Fauloner was appointed to handle arrangements for the election of St. Pat and St. Patricia.

February 21, 1950 con't.

Bernard Budd volunteered to take charge of refinishing the Sigma Tau Key that hung in the main entrance to the Engineering Building.

The President read a letter from Phi Kappa Phi requesting Sigma Tau's help in promoting a return of the honor assembly which has been discontinued. The members did not indicate any special interest in this project as it was generally felt that it wasn't necessary as far as Sigma Tau is concerned.

After discussion it was moved and seconded to sell 450 tickets at \$3.00 each, including tax, to St. Pat's Prom on March 18th; and to print 200 complimentary tickets for members, new pledges, press, etc. Motion passed. It was moved and seconded that no one be admitted to the prom without a ticket, regardless of his membership in Sigma Tau. Motion passed.

Kenneth Harkness was elected unanimously as pledge captain for the spring pledge class.

The meeting was closed in due form.

The meeting was opened in due form by President Sellers. The minutes of the last meeting were read and approved.

After discussion it was decided that meeting notices would be posted on the department bulletin boards for the next few meetings which are to be held each week until after Open House. It was moved and seconded that every meeting be publicized by a notice on all department bulletin boards. The motion carried.

Several committees reported on their progress and the action taken was as follows:

Monday, March 6, was set for an evening meeting to elect the new pledge class. Marne Karlin will be in charge of refreshments and arrangements for the meeting.

By a show of hands it was decided that tickets for St. Pat's Prom are to go on sale in the Engineering Building one day before they go on sale in Anderson.

The Initiation Banquet was discussed and it was decided that it would be held March 28th in the college Cafeteria. It was moved and seconded that we send out formal invitations to the Initiation Banquet through the U.S. Mail with RSVP on the bottom of the invitation. Motion Passed.

The election of St. Pat and St. Patricia will be held during the first part of Open House Week. Announcement of winning candidates will be made on Friday before Open House.

It was moved and seconded to let the order for 250 finished paper weights stand. Motion Passed.

TUEADAY

MAY 9, 1950

E-128

5:00 P.M.

The meeting was opened in due form by President Kenneth Sellers. The minutes of the last meeting were read by Bob Weatherbie, and approved.

The purpose of this meeting was for the installation of newly elected officers. Prior to the formal installation Professor White, faculty advisor, gave a short talk. After having congratulated retiring officers he went on to tell other members that he thought projects were good medicine for any organization, and he felt very strongly that Sigma Tau should undertake some new project. He further stated that each member should have a specific job to do.

Professor White spoke of some of Sigma Tau's past projects; among those were the K-Hill project and the Sigma Tau monument in front of the Engineering Building. He said that he had been approached on the matter of building a "C" to accompany the K & S on "K-Hill", but he advised members that this would be a tough problem due to technical difficulties in building on that particular site. With an eye to the future, he suggested that some possible projects might be to build a fence at the top of "K-Hill" and/or do some landscaping around the KS. He emphasised however that these were only examples of the type of project that the organization might undertake and preferred that members act on their own initiative.

Immediately following this talk the following men were formally installed in these offices:

Stan Wood.....Vice President

Dale Wilson.....Treasurer

George Rogers.....Corresponding Secretary

Roland Carlson.....Recording Secretary

Kenneth Harkness...Historian

Robert Lawton.....Alternate delegate to the National Conclave

Jack Webb, president elect, was not at the meeting so he was not formally installed to his office. Stan Wood presided over the remainder of the meeting.

When the chair asked for any business items for discussion, Bob Weatherbie moved that a committee be appointed to audit the treasurers books before they changed hands. The motion was seconded and adopted by the members. To this committee Stan Wood appointed Dale Wilson and Roland Carlson.

Without further business the meeting was adjourned.

SEPTEMBER 26, 1950

E-128

5:00 P.M.

The meeting was opened in due form by Vice-President Stan Wood. Minutes of the previous meeting were read and approved. Dale Wilson stated that the finances amounted to \$1171.65.

Under committee reports, Dale Wilson reported that last year's treasury books were audited and found to be in good order. Stan Wood related that plans had been made to give last years photo of St. Patricia to Jeanne Petrachek.

The first matter of old business, was the formal installation of Jack Webb, president elect, to his office by Professor White. Jack presided over the remainder of the meeting.

President Webb reminded members of a statement of the Chapter By-Laws by which any member who is absent from three (3) consecutive meetings must pay the full price for his plate at the Banquet.

The following men were nominated and unanimously elected to serve on the membership committee:

Bob Lawton
Paul Swan
Gene Smith

The purpose of this committee is to take proper action on persons who have not attended meetings in accordance with the policy of the By-Laws.

While discussing a possible date for the pledge smoker, Dale Wilson reminded other members that Thompson Hall has a new policy whereby it cannot be reserved for more than one week in advance for smokers. No date was set for a smoker.

The president announced that the National Conclave is to be held October 19-20-21 at Lawrence, Kansas. Members wishing to attend may be excused from classes.

Kenneth Harkness suggested that mimeographed copies of the new pledge class be distributed to active members to serve as a check list, so we may get to know members.

In addition to the aforementioned the following committees were appointed:

Pledge Master - Dick Crow
Grade Averages - Dale Olsen
Committee to see about K-Hill clean-up
Donald Kelly
Waldean Grauerholtz
Robert Fulmer

The date for the K-Hill clean-up was tentatively set for October 28.

There was some discussion about the manner of posting meeting notices. Stan Wood moved that the same policy for meeting notices as was used last year be continued.....that is, individual notices by the college postoffice and notices posted on each of the departmental bulletin boards. The Motion was seconded and approved.

Without further business the meeting was adjourned.

5:00 P.M.

The meeting was opened in due form by President Jack Webb. The minutes of the meeting of September 26 were read, corrected, and approved.

Robert Fulmer, member of the committee to see about the K-Hill clean-up reported that Dean Durland wanted the freshmen to participate in the project but that he was afraid that Sigma Tau's pledge class would come to last to take part as a part of Hell Week. It was moved and seconded that the K-Hill clean-up be scheduled for Saturday, October 28. The motion was adopted by a unanimous show of hands.

Dale Olsen reported that he had turned in a letter to the Registrar's Office in order to get grade averages for the new pledge class, and stated that it would take about two weeks to get them back. A lengthy discussion concerning a date for a Smoker followed. The final outcome was as follows:

When Dale Olsen received the grade averages from the Registrar a special meeting would be called to decide upon limitations and the manner of selecting the pledge class. It was moved and seconded that the date for the Smoker be set for Nov. 6th, provided that the grade averages were available soon enough and if Thompson Hall were available on that date.

Richard Hanson was appointed to see whether or not Thompson Hall would be available on November 6.

Jay Murphy reported that the Gym had been reserved for St. Pat's Prom on March 17.

President Webb appointed the following committee to be responsible for refreshments and smokes for the smoker.

Bob Lawton, Chairman
Warren Walker
Robert Dorgan

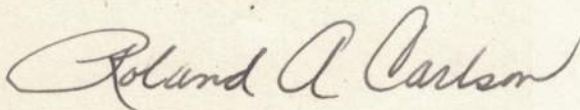

Other committees concerning the chapter report were:

Chapter Report - Ken Harkness
To see Alumni accomplishments and recognition - Van Warmer
To prepare a list of faculty and their ratings who are members of Sigma Tau - Dick Crow
To see about pictures of K-Hill - Bert Beeghly

The President urged as many members as possible to attend the Conclave at Lawrence.

President Webb read the names of committee chairman and members so that all members would be aware of their duties. One new committee for ticket sales was named to replace the committee appointed on January 12.

The new committee is as follows:

Robert Dr gan, Chairman
David Sléif
Dwight Kortman

Jack Swafford reported that he had written to an agency for information on a suitable band for St. Pat's Prom, but had not received an answer to date.

No other committees reported on progress.

Two other new committees were named. The first is to see about getting a complete file on alumni members. On this committee are:

Wayne Heineger, Chairman
Carl Schwab
Lyle Wall

The second committee appointed is to work on ammendments to the Chapter By-Laws so that they will conform to the changes made in the National By-Laws at the Conclave. Committee members are: Robert Adams, Chairman-
Calvin Blaich
Harold Boots

President Webb once again reminded members of Section A, Articles 1, 2, & 3 of the Ammendments to the Chapter By-Laws regarding penalties for non-attendance at meetings.

The President asked all committees to be prepared to give reports on progress made on work concerning St. Pat's Prom at the next meeting. He also stated that beginning in the near future that meetings would be held weekly to expedite work on the Prom.

He also asked that all committee chairmen submit a short report on their work to be used as a guide in future years.

Some discussion followed on the cost of rings for St. Pat and St. Patricia, money for decorations, and the cost of a band. No definite conclusions were reached in any of these matters.

Ken Harkness said that we could get a lot of free publicity if the selections for St. Pat and Patricia were announced at least a week prior to the Promdate.

Stan Asked for opinions on when the name of the St's. should be released. Considerable discussion followed, and a show of hands indicated a majority of those present were in favor of releasing the names to the Collegian Wednesday March 14 and to other papers the following day.

Dorgan reported that the tickets were printed and ready.

Charles West reported on the K-Hill lighting project for Ralph Skoog, that all the necessary arrangements for that project had been completed.

Van Wormer reported that President McCain would not be available as a banquet speaker. After some discussion a vote was taken which indicated Dr. Cardwell as first choice and Dwight Nesmith as second choise as speakers.

Roland Carlson moved that Alpha Phi Omega be allowed to take all on coke sales and check coats free at the prom. The motion was seconded and carried. Curtis Summers was appointed as ambassador to Alpha Phi Omega to make such arrangements provided is was agreeable with the service fraternity.

Carlson asked for volunteers to help make some of the decorations on Saturday, March 10.

There was some discussion concerning the dates for hell-week. It was moved and seconded that there be no signing of pledge books at the Gym decoration, but that otherwise actives should sign pledge books onthe hill. The motion carried.

Ken Harkness moved that dates for hell-week be from Tuesday March 27 through Friday, March 30. The motion carried 19 to 17. Harold Wise asked for a recount. The second count was 23 to 20 in favor of the motion.

There followed a motion for an arbitrary limit of 45 new members to be accepted. This motion was also adopted, and appears to be becoming a precedent inthe Epsilon Chapter of Sigma Tau.

5:00 P.M.

The meeting was opened in accordance with the ritual, roll was taken and the minutes of the two previous meetings were read and approved.

President Webb asked all heads of committees associated with Open House and St. Pat's Prom to submit reports of their activities by April 17. He also announced that he had the "shingles" for the new members.

At the request of Stan Wood, Curtis Summers gave a report on the reason for the apparent change of policy in the arrangements with Alpha Phi Omega for checking coats. during the Prom. He reported that since Alpha Phi Omega had insisted on adhering to its usual policy of charging for checking coats Sigma Tau will undoubtedly share in the profit.

Without further old business the matter of immediate concern was the election of officers for the coming year. The following men were elected to these respective offices:

President - Carol Reece
 Vice President - Lee Hodgkinson
 Treasurer - Lyle Wall
 Recording Secretary - Blaine Englund
 Corresponding Secretary - Warren Beevers
 Historian - Jim Linger

Prof. White was also given a unanimous vote of approval to continue as faculty advisor.

Stan Wood mentioned the matter of a spring picnic. The question arose as to the condition of the treasury, since all the bills from the Prom are not yet paid. After a short discussion the idea was postponed for further consideration at a later date.

The meeting was adjourned in due form.

President Webb appointed the following auditors of the treasurer's books:

Jack Boman
Arthur Corrigan
Robert Sykes

President Webb reminded committee chairmen for the past year that reports not yet submitted were due.

President Webb expressed his thanks to committee chairmen and outgoing officers who had served during the past year. He expressed his appreciation to the chapter as a whole for the good cooperation and work that had been exhibited during the past year.

Professor White commended the chapter and the officers for making the past year a good one. He expressed the desirability of projects to maintain the interest of the men in the organization. He requested that anyone desiring consultation or advice with him to feel free to do so.

Professor White then duly installed the following officers and admonished them of their duties:

President	C.K. Reece
Vice President	John Hodgkinson
Treasurer	Lyle Wall
Recording Secretary	Blaine Englund
Corresponding Secretary	Warren Beevers (absent)
Historian	James Linger

President Reece took charge of the remainder of the meeting.

Stan Wood brought up the matter of a spring picnic and moved that a spring picnic be held, date to be decided at a future meeting. The motion carried.

Ken Harkness brought up the matter of a place to maintain the winning displays of Open House as a possible project. Stan Wood stated that perhaps a show case for that purpose might be arranged in the new wing or in the present engine house. Wood moved that the chair appoint a committee to look into the possibility of having and maintaining a showcase for this purpose. Appointed were:

Ross Roepke
James Linger
Richard Huerter

Ken Harkness moved that we vote a unanimous vote of approval for a job well done by Jack Webb. Lee Hodgkinson moved to amend the motion to include all the outgoing officers. Motion and amendment carried and appropriate applause was given.

The meeting was called to order in due form by President Miller.

The following committee reports were made. Virgil Carrier announced that the temporary wooden repair for the "K" had been abandoned due to costs involved.

C. Q. Williamson, pledge trainer announced: that 40 men were pledging this semester. Hell Week will be November 1 to 5. The initiation will be at 5:00 P.M., November 9. All active members are urged to attend. The initiation banquet at the Skyline Club will follow at 6:30 P.M.

One committee, composed of McCulley and Reed, was appointed to check on the ceiling used in the Gymnasium for dances.

Roy Drum was appointed to see about hanging the Sigma Tau charter in the engineering reading room.

Virgil Carrier, the engineering open house chairman, said he thought it would be a very good idea to have a junior appointed to be a secretary for the open house chairman. He brought out that in addition to being a help to the open house chairman, the man could also get valuable training for the position of open house chairman the following year. In this way, the open house chairman for next year would have some idea about his problems instead of starting cold.

Two amendments were made to the constitution. After some discussion it was moved that we amend the constitution to allow two honorary members per year instead of one. The motion carried. The second concerned the meeting days. It was moved and passed that we amend the constitution to read one meeting per month instead of the first and third Thursdays of the month.

It was announced that pictures for the Royal Purple would be taken November 16 at 5 P.M.

It was moved and passed that we delete the November meeting since we were having the initiation banquet in November.

Pres. Sutton opened the meeting in formal form.

The motion concerning a new method of selection for St Pat and St Patricia was brought before the chapter. Discussion was held but no action taken on ways to improve on the selection.

The Treasurer, Ralph Knox, made his report.

Louis Burmeister gave a report of the findings of his committee concerning bands for St Pat's Prom. Selection of a band was then left up to the group. Motion was made and seconded making Pastels first choice, Collegians second, and Glenn Horner third. Motion passed.

A motion was made and seconded to check with the K-State Union to see if the Pastels are playing near the date of the Prom. If they are scheduled then they are to be disregarded in favor of the Collegians. The committee headed by Louis Burmeister would use their own judgement in this matter. Motion passed.

Motion was made to set a price of \$2.00 per couple on the Prom. Seconded and passed after discussion.

Jim Moore gave a report on the progress of his committee in charge of the Prom.

Meeting was then closed in formal form.

Pres. Sutton opened the meeting in formal form.

A report was called for from a committee to make up personal data sheets for selection of St Pat and St Patricia finalists. No report was available.

The President then announced a leadership school sponsored by the Student Council. Ron Bryant announced that the school is already filled. A motion was placed in order to send three men to one Saturday meeting of this school for \$1.00 per man. Stang, Gillmore, and Dody volunteered to attend. Motion was made to pay fee. Seconded and passed.

The motion which was passed the previous Spring Semester concerning election of St Pat and St Patricia was brought to the floor. Discussion was held as to how to improve this motion. A new motion was made consisting of the following points; 1-) A 14 member committee would be appointed by the president. The committee would preferably consist of two men from each department of Engineering; 2-) One St Pat candidate and one St Patricia candidate would be selected from each department in a departmental assembly; 3-) From these candidates the committee would select three St Pat finalists and three St Patricia finalists; 4-) Selections would be made several weeks before St Pat's Prom; 5-) Voting would be held not more than three days and not less than one day from the time that the finalists were announced.

Motion was seconded and passed.

The President announced that shingles and Pyramids would be passed out at the next meeting.

Meeting was closed in formal form.

President, Taylor Merrill opened the meeting.

Nowl Duncan presented the treasurer's report.

Under the heading of new business, the President opened the floor for discussion of the selection of rushees. The requirements for membership in Sigma Tau were read.

It was decided, in order to obtain the highest quality pledges for Sigma Tau, that selection of rushees to attend the smoker would be more selective than in the past. All men who were scholastically eligible to be invited to the smoker were discussed and a final list was approved. If a man was not known by any man present at the discussion, his name was omitted from the list.

The men who volunteered to work on the Fall Smoker Committee were:

Chairman	Myron Hauschild
	Kenneth Cation
	Ralph Schimke

The smoker date was chosen as October 3. Signature week (pledge or work week) was chosen to be the week of October 9 to 13, with October 14 (Saturday) being set as the day for the pledges to paint K-Hill

It was suggested by Mr. Fagan, the faculty advisor, that Sigma Tau take as a project the responsibility for conducting tours of the Kansas State Bomb Shelter.
